

South Australia Police Officer of the Year 2019

The South Australia Police Officer of the Year Award has been a major vocational project of the Rotary Club of Unley each year since 1978. The award recognises an outstanding SA Police Officer who, in serving the community shows outstanding acts of courage, kindness, understanding, compassion or devotion to duty. We are looking for an officer who performs beyond and above the call of duty. That performance may be on the job or providing significant off-duty community volunteering. Our search for the SA Police Officer of the Year for 2019 opens early June.

Nominations are received from organisations, service clubs, community groups and individuals from across the State of South Australia. All community groups and club are most welcome and encouraged to nominate a worthy South Australian Police officer for this award.

Details of the award and nomination forms may be found on the Unley Rotary website at <http://www.unley.rotaryclub.org.au>. The continuing success of the Award relies on nominations being received.
