

**We're sending another container to Umoja in Kenya**

We are preparing for '**Sinamon House.**' Once our second children's accommodation is completed, we will be able to have everything ready for the little children who will be coming inside. The container is departing Melbourne around July 2019 to arrive ahead of our volunteers in September 2019. Check out our wish list and contact [Wayne Limbrick](#), Shepparton Central Rotary Club to fund the purchase or donate [items](#) to be included in the container.

**'Sinnamon House'** needs your help to complete it, before the container and volunteers arrive to make it a *home*. One small gesture can make such a difference to a child's life.

[I'd love to help](#)
