

## **Urgent Appeal: Cyclone Idai Tears Through Malawai**

Dear Rotary President

### **FAMILIES HAVE LOST EVERYTHING**

**On 14th March, Cyclone Idai tore through Mozambique, Malawi and Zimbabwe, separating parents and children, ripping up homes and destroying livelihoods.**

Over 125,000 people in Malawi have been left homeless and afraid after the powerful floods washed away their homes and their loved ones.

During these extremely difficult times, families in Malawi desperately need your help. A ShelterBox team is on its way to assess the damage and understand what support families will need once the floodwaters subside.

Items like emergency shelter kits could help families who have lost their homes. Water filters could help them produce clean water. Mosquito nets could protect families from the increased risk of disease.

**We will not stop until we have done all we can to help families in Malawi, and around the world, get the vital emergency shelter they need. Will you support us?**

**DONATE NOW**

\$30 could pay for a solar light to provide safety and security for families left in the dark.

Just \$50 could buy a water filter to provide a family with safe drinking water.

\$100 could pay for a ShelterKit to repair a damaged home or build an emergency shelter.

**Disasters don't stop. Neither do we.**

**LEARN MORE**

Please give what you can today.

Many thanks for your support.

Regards,
