Dear club and district leaders,

Join us for the webinar **Courageous Leadership** on Wednesday, 27 March, 14:00-15:00 Chicago time (UTC-6), if you want to gain powerful insight into making changes in your club and:

- Inspire your club or district to think in new ways about growth
- Understand how transformation can happen
- Take action to implement new approaches to lead your club or district

Using stories of transformation from Rotary and in their professional careers, trainers [Louisa Horne and Doug Logan](#) outline one strategy for making necessary changes to the club experience while including members in the process.

[Register and see the webinar in your time zone](#). Everyone who registers will receive access to the recording and slides.

Sincerely,
Membership Development team
