

# Learning & Development 2019-20

Roundtable August 31 2019

Lasallian Education Centre, St Michael's College from 9.30 am to 1.00 pm. Delicious Morning Tea!

## What is a Roundtable?

A **Roundtable** is an oral **presentation** and discussion with attendees seated around a table. Roundtables are among the most flexible Learning and Development formats offered, and vary from session to session.

## SOMETHING FOR EVERYONE! FREE!

The Roundtable 2019 topics were selected from those suggested by participants during the 2019-20 Learning and Development events held earlier this year. Participants are asked to choose one from each session.

**Session 1:** *New Protection Policy* (an introductory workshop important for Presidents/Protection Officers)

*Ethics and Vocational Education* (a further look at what being a Rotarian encompasses)

**Session 2:** *New Protection Policy 2* (for Club Protection Officers to discuss the implementation of the new policy)

*D9500 Website/ClubRunner* (always a favourite! )

*Promoting a Positive Club Culture* (the perspective of an experienced CEO)

**Session 3:** *New Protection Policy 3* (for Club Protection Officers to discuss the implementation of the new policy)

*A Story of Change* (an opportunity for Rotarians and Rotaractors to hear a new story of successful change)

*Q & A for [New] Rotarians* (an informal opportunity to learn more about Rotary for all Rotarians)
