GET ACTIVE. BEAT DEMENTIA.

Dear Rotary Club of Gawler,

Dementia Australia has been fortunate to have worked with Rotary Clubs all over Australia and we would love to be able to maintain and further establish these relationships moving forward.

Dementia is the second leading cause of death in Australia. By 2058 there is predicted be over 1 million Australians living with dementia. Community awareness and support is now more vital than ever.

A DIY Memory Walk & Jog is a fun run/walk and the perfect way to get together with friends, family or colleagues, keep fit and have a great time while raising valuable funds and awareness for Dementia Australia.

We are asking your Rotary Club of Gawler to show your support to the 436,366 Australians living with dementia, their families and carers by organising a DIY Memory Walk & Jog for 2019.

The great thing about DIY Memory Walk & Jog is that you really can do whatever you like! You can tailor your event to suit your group by choosing your event date, location, distance and any additional fundraising activities, making it as grand or as subtle as you like!

**[Register](#) before 31 March to host a DIY Memory Walk & Jog in 2019 and you can go in the draw to win \$300 worth of gift vouchers.**

If you would like further information about our DIY events please feel free to contact myself at [fundraising@dementia.org.au](mailto:fundraising@dementia.org.au) or on 1300 636 679.

Don't forget to sign up [here](#) by Sunday 31 March, 2019 for your chance to win!

Thank you for your continuous support

Lyn Bermudez
