1<sup>st</sup> April 2020

Steve Barilla  
President  
Rotary Club of Gawler  
PO Box 584  
GAWLER SA 5118

Dear Steve

As your year as President is in its final months, I am writing to ask you and your Club Board to please consider supporting Australian Rotary Health when you are distributing your funds between now and the end of the Rotary year.

Australian Rotary Health as well as being a great Australian Rotary program, is a national charity that enjoys the support of Rotary Clubs in Australia and it will provide over two million dollars for health research in 2020. Your continuing support will enable us to maintain our position as the largest non-government organisation providing funds for mental health research in Australia and will produce profound health benefits for the Australian community.

Our main emphasis for research is Mental Health of Young Australians. Research is critical to the welfare of our youth and I am hopeful that through research we will be able to detect mental illness early and then follow up with the correct intervention and treatment. We are funding Australian researchers and giving them the chance to generate new, ground breaking research.

**Lift the Lid on Mental Illness** is designed to encourage all Australians to become involved, including Rotary Clubs, businesses and governments.

In this Rotary year, your Club and members have donated \$1,063.45. Thank you.

The Director on the Australian Rotary Health board who looks after your area is PDG Barbara Wheatcroft and the ARH District Representative is PDG John Campbell. Either one will gladly visit your Club and update your members on our programs.

Your financial support is greatly appreciated and will contribute to the better health of all Australians. Support from Rotary Clubs is essential to the success of Australian Rotary Health.

Yours sincerely

A handwritten signature in black ink that reads "Gregory Ross".
