

Good afternoon,

Please see the attached letter regarding motor vehicle security that we ask that community groups, service clubs and other community organisations may share this information with their members. I acknowledge that at this current time, groups and clubs are not holding face to face meetings, but many are still maintaining electronic communications with their members.

SAPOL wants to continue to engage with the community and are encouraging you to share the attached information via email to your membership base and/or reproduce it in any newsletters that you may publish. The attached information also includes a link to the SAPOL website where further crime prevention and security advice can be obtained. SAPOL wants to work with the community to reduce the incidence and impact of crime and to ensure that South Australia remains a safe place to live.

I hope that you can assist in distributing this information to your members, relatives and friends and please do not hesitate to contact should you require further information.
