

Greetings [or some other word that I cannot come up with, given the current Covid-19 problem]

I regret to advise that the Executive have concluded that we should regrettably suspend the GHT monthly meetings for the time being, until this Covid-19 issue is resolved.

We do intend asking the Guest Speakers to be available at their designated month to give their address so that it can be videod and put on the website gawlerhistory.com for you to see as would normally occur.

Peter Jones address in April on the history of Evanston Racecourse and the Gawler and Barossa Jockey Club was to be viewed by a select group of people at the meeting, but, because of their age, and given this Covid-19 situation, Peter preferred to defer his address until later this year; which we are happy to oblige.

I will continue to send you a monthly email to keep you up to date with future developments and let you know when our meetings will re-commence.

The good news is that gawlerhistory.com has now had 8,120,000 hits and with people having to stay home more, it is likely to be seen even more.

Regards

Brian Thom
