Dear Presidents Elect,

District 9510 Budget

One of the responsibilities of the District Finance Committee each year is to prepare a budget of district expenditures in cooperation with the incoming district governor and submit a budget to clubs prior to its approval at a meeting of incoming club presidents which, in D9510, will be the **District Assembly on Sunday 3rd May 2020**.

Consequently, this email contains:

- A copy of the proposed budget for 2020/2021.
- A Budget Statement outlining the considerations made when making the budget and setting our District Dues at **\$100 per member**.
- A Notice of Resolution required for the adoption of the Budget.
- Voting options and procedures.

I encourage you to take the time to read the Budget Statement to understand the establishment of Budget which has been a challenging process given we are bringing two Districts together. I thank the Finance Committee for their diligence in this process.

If, after reading the information provided, you have any queries please direct them in the first instance to either:

- Stephen Noble treasurer@rotary9500.org
- Bruce Richardson d9520.treasurer@gmail.com

While a copy of this email is sent to current Presidents and Secretaries, the responsibility for approval rests with Presidents Elect.

Thank you for your commitment to the 2020/21 Rotary year and I look forward to working with you all.

Best Regards,

David Jones
