

Dear Presidents and Secretaries,

1. District Assembly 3rd May - Postponed

The District 9510 Training team is committed to providing Rotary leaders the knowledge and skills they need to lead their clubs and district with passion and confidence.

As you are all aware, we are experiencing unprecedented times with the COVID-19 coronavirus, requiring governments and other organisations to take drastic actions. Given the Prime Minister has announced that the Federal Government is advising Australians Non-essential indoor gatherings of more than 100 people have been banned as the country responds to the coronavirus pandemic, it has been decided that the **9510 District Assembly on Sunday 3rd May 2020** will be **postponed** to a later date, to be determined.

The regional training seminars due in mid to late May, will have lower numbers of participants so are still under consideration. Could you please update your club members.

2. District 9510 Budget

The attached email was sent to Presidents Elect on March 7th containing the budget to be approved at **District Assembly on Sunday 3rd May 2020**.

Due to the postponement, Presidents Elect have been referred to the document *Voting Procedures 2020*. The option to vote in person or by proxy are no longer available and I have asked them to vote electronically by printing and submitting the attached Electronic Voting form.

Could you please help facilitate this process where possible.

Best Regards,

David Jones
