

## Rotary Youth Exchange students benefit from service

Rotary Youth Exchange students learn valuable skills and make vital connections when they have a chance to take part in their host district's service projects. While these projects have taken on a new shape during the COVID-19 pandemic, clubs are still finding innovative ways to keep their youth involved. Also, for Youth Service Month, read a blog post about [how to help your Youth Exchange students](#) face the uncertainty of these extraordinary times.

### CLUB CLINIC

Jenny Stotts, District 6690 membership chair and assistant governor, shares what she has learned about engaging members and keeping them (Rotary) happy.
