

CLUB AND DISTRICT SUPPORT

Dear Club President,

Congratulations! You are officially over half-way through your year as President.

As you enter the second half of your term, we encourage you to begin taking steps to ensure continuity into the 2020-21 Rotary year.

Third Quarter Highlights:

- Share information with your club's incoming officers. Report incoming officers via [My Rotary](#) (see our guide, How to Add a Club Officer) or an integrated club management system, so that they gain access to valuable online reports and tools that will help them prepare for their role.
- Take our course, [Essentials of Understanding Conflict](#). Explore various conflict management styles and consider how they can contribute to more collaborative relationships.
- Involve incoming leadership to continue your club's strategic plan into the next Rotary year. Our [Strategic Planning Guide](#) can help you get started.

You can train more members of your club to become leaders with our guide, [Leadership in Action](#).
