Memo to all Rotarians and Rotaractors

- Would you like to know more about contemporary leadership in Rotary and elsewhere?
- Wondering what you could do to learn more about Rotary?
- Want to share ideas to assist Clubs plan for a vibrant future?
- Like to meet new people?

Practical Matters...

RLI is a recommended program of Rotary International, but not a Rotary program.

The full course will be covered in a two-day program to facilitate ease of attendance and, while international in content, will be focused on the current Australian context.

Certificates and badges presented on completion of the Course.

RLI and what participants have said about it...

The Rotary Leadership Institute (RLI) is a fast-paced, two-day course offered to refine and affirm leadership skills and increase knowledge of, and appreciation for, Rotary.

Courses are fun, topical, interactive, informal and geared to busy people who would like to be more dynamic and innovative as leaders and members of their chosen vocation and club.

Topics include leadership, team building, communication, strategic planning and analysis, attracting and engaging members, public image and public relations, service projects, and The Rotary Foundation.

Comments from Rotarians who have attended RLI include:

- Good course, well presented covering a lot of ground
- Great to have more detail about Rotary beyond what we do at the Club
- Good to share knowledge and ideas.
- Loved the enthusiasm and obvious commitment
- Very interesting and thought provoking
- Valuable information for new members but also for established Rotarians
- This course facilitates, enlightens and educates more about leadership in Rotary and beyond.
