Dear Mr. Piccolo,

We are writing to you to seek assistance in purchasing some AFL goals for our school.

Unfortunately, our old football goals were hazardous and were removed due to having rusted, and they were not replaced.

We are a school that has a strong community involvement in AFL, with a number of male and female students playing for local clubs in the area.

We also have a number of students who would like to get involved in football and play at recess and lunch times; however they are unable to develop their skills appropriately without football goals.

We recently took students to an AFL carnival at Elizabeth Football Oval and they did extremely well (finishing 4th in the both the boys and girls division), doing so largely without having had training or essential equipment.

We have contacted a school supplier and acquired a quote for a set of 8 posts and padding for safety and protection.

The cost including freight and GST totals is **\$3,366.00**

It would be greatly appreciated if you could support our school and assist us in seeking a sponsor to assist us in purchasing these goals. It will enable our students to participate more in AFL and their local community by allowing students to develop and improve their skillsets.

We look forward to hearing from you.

Kind Regards,

Jamie Gartner
