

Dear Rotaractors, Rotarians and friends,

I have been nominated as a 2019 Finalist for the Westfield Local Heroes - Tea Tree Plaza. I have made the Top 6 and now it has gone to the public vote to decide the Top 3 Local Heroes, who will then receive \$10,000 towards the organisation they represent. I am representing the [Salisbury City Rotaract Club](#).

We create a space that gives young people from all backgrounds an opportunity to develop themselves and give back to the community.

Our organisation is a platform where diversity thrives and where young people can learn, develop and lead. This organisation has shown me that I can rise above perceived adversity to be a success.

Have a look at my story and vote for me. Voting ends 12 August. **You can only vote once!**

Please, if you could get your own friends and family to also vote that would be greatly appreciated, we need your support to boost our reach. Forward this to every and anyone! 😊
