President's Message: Bron Anderson

The COVID19 virus has had quite an impact on the Club. In just a few days towards the end of February we went from enjoying a social event and a few reds at Dave Perry's place to social distancing and self isolating. Our weekly meeting was put on hold and zooming has become the new way to communicate on a fortnightly basis.

The planned projects and fundraisers we had in the pipeline are on hold but there are still things we can do from a distance – consider supporting the Rotary Foundation, Donations in Kind and our own Cambodia Chicken Outgrower Project, just to name a few.

In time I'm sure we will return to something that might resemble the normality we fondly remember and we'll be back up and running with fundraisers to support our local community again.

Technology does provide us the ability to engage speakers from around the world. Like growing our club through new members, it is not up to just one person to provide leads for speakers, it is up to all of us. My challenge to all members this week is to consider who we can connect to share their passion or insight on a particular topic. Please forward your suggestions to Carol Valentine.

This week's meeting will be a member catch up and the link to access the meeting is here: https://us02web.zoom.us/j/84602986729?pwd=czBESFFQL0t4S0xnZmZvZklQeU1xZz09. Join us Tuesday 9th June at 7.30pm!

Next week's DG with Jane will be on Monday the 15th June, with guests Trudy Grice and Barbara Mifsud, joining from Parramatta.

If you have missed any of the eConnections, then you can view all of the presentations by clicking on this link: https://rotaryeclub.org.au/econnections-with-dg-jane/
