<b>Last Meeting</b>	19/11/18	<b>No</b> 2438
<b>Present</b>	20 Rotarians Visitor Marie-Louise Lees ADG Friends Helen Perry	
<b>Guests</b>	Dr Phil Gribble and partner Chris.	

- Another interesting and riveting talk from Dr Phil and Chris, using the new projector and screen for the first time. Again they visited Benin in Africa, and performed 48 hernia operations in a week, this time sourcing clients from a different district. In an effort not to shock, there were no full frontal pics this time. Many questions at the end indicated the value of this type of assistance to a less fortunate country – should we send more goods? Why can we not educate the local medical teams to do this work? What amount of supplies can we carry in to such an area? Thanks to Drs Phil and Chris for bringing back their log of work fulfilled.
- Marie-Louise addressed the club and talked of District and other grants.
- President Josie, in addressing the club, spoke of the need to find a President Elect for next year. In a motion from the floor, a nomination was put that she be the President for the coming year, which was accepted and supported by members present.
- Secretary Ian asked members for clarification on the acceptance, role and conditions of being a Friend of Rotary. This is to be a subject of discussion at the next Club Assembly.
