

Who needs to be recognised in your community for their hard work and dedication?

The **7NEWS Young Achiever Awards South Australia** aim to acknowledge, encourage and most importantly promote the positive achievements of all young people up to and including 29 years of age.

Do you know an individual, group or organisation who deserves to be recognised? We would love for you to enter them into the Awards!

There are a number of categories open, such as **The University of Adelaide STEM Award**, the **Cardew Creative Achievement Award** and the **Rural Doctors Workforce Agency Rural Health Award**. We would love for you to recognise someone you know!

With 12 diverse award categories available, anyone under 30 can be nominated and no achievement is too small...or big for that matter!

The Awards are free to enter, all you need to do is [click here](#) to get started.

Good news...we have made things nice and easy for you this year!
