

Hello Service Club Representative

I hope you had a great New Year and that this email finds you well.

CLOSED FACEBOOK PAGE

As foreshadowed in my earlier email (see below) dated 27 December 2018, I can advise that the Closed Facebook Page is now live.

Only Members of the Service Club Forum can join the page.

To join, please click on the "Join" tab at <https://www.facebook.com/groups/NorthernService/> and once we receive your request we will admit you to the page.

GROWERS MARKET RETURNS

Just a reminder that a Growers'/Farmers' Market is returning to Gawler at the Visitor Centre Carpark on **Saturday week, 12th January.**

The market operators will make one stall site available, free of charge, to service clubs or any community group that would like to provide "breakfast" to market goers. The service club/community organisation would keep all proceeds.

The stall would be made available on a rotational or ad hoc basis.

If your club is interested in taking the FREE spot please let me know ASAP and I will pass on your details to the market operators, or feel free to contact them direct via their Facebook Page at <https://www.facebook.com/gawlermarket/>

NEXT FORUM

I would like to confirm that the next forum will be held at 6:00pm, Wednesday 20th February 2019 at the new Salvation Army Riverside Centre, 17 Edith street, Gawler.

With Kind Regards

Tony
