Proposed Men's Shed – email from President Josie

“The meeting at Melrose Park re the Men's shed this morning has resulted in a decision that all parties are happy with. Following very informative discussion and information sharing every one agreed that the proposed site for the Men's Shed should be on the **land south of the Trains and our shed. [in the Train's car park]**

The proposal will be presented to the next Council meeting in May. If this proposal is passed then the process will go ahead.

I thank all the members who responded to my email as this certainly made my morning so much easier and I had information and details that represented our club.

I will continue to keep you updated as this project develops

Cheers
Josie”

Email from Bill Singleton who was in the UK recently and found a Rotary meeting 5 minutes from the hotel on his arrival night.

‘The Rotary Club of Chesterfield Scarsdale is a relatively new club which I guessed catered for younger Rotarians. I was mistaken! I was one of the youngest there, the oldest was 92. The Rotary Club of Chesterfield obviously had a schism a few years ago and a number of Rotarians got together to start a new Club. Scarsdale reminded me of Rotary when I first joined, so was a blast from the past. The Club is all male and determined to remain so as long as they can, everyone there wore tie and jacket and the meeting was generally procedural. I was invited to say a few words about the Rotary Club of Clare and we had a banner swap as featured on our facebook page. They send warm greetings to the Rotary Club of Clare. They are active in traditional ways, enjoy good fellowship and are very welcoming. I gathered they have a very active Rotarianne group of wives. They meet in the wonderful soccer stadium, sadly home to a club that was relegated out of the league and now hosts some pretty obscure opposition. My planned make-up at the Rotary Club of Ennis didn't happen as we had to fly back several weeks early.

Cheers
Bill
