Hi Brian,

Thanks again for inviting us to come along to your Rotary gathering!

I enjoyed my evening there.

I was warmly welcomed by many members of your group.

Whilst the evening contained formal elements that were necessary,
it was great to witness a relaxed atmosphere where people shared fellowship with friendly banter.
Combining the business and speakers over a meal is a great way to go.

I was genuinely overwhelmed at the interest shown, and the generosity
of members offering time and money to contribute to our fundraiser!

This is the spirit that I often question in this day and age, however that night
proved that there are some wonderful people in our community!

Looking forward to Friday's fundraiser.

Keep up the great work Brian

Sincerely

Sheryn Klose
