The Rotary Club of Mawson Lakes is undertaking a project **Celebrating Women in Rotary** in recognition of the 30th anniversary of the acceptance of women as members of Rotary. We are hoping for statewide interest.

We want to document information about some of the current and past female members, their involvement in Rotary, their passions and visions for Rotary. We hope to develop an electronic and hard copy book for broader publication and possibly sale. We are aiming for an interesting read and a marketing resource.

**If you are interested in helping develop and implement the project** or just want to hear about its progress please send an email to [secretary@mlr.org.au](mailto:secretary@mlr.org.au) – use title Celebrating Women.

#### **Volunteers Required:**

The first step is to set up **a reference group** of approximately 6 people representing a range of clubs. We are approaching those who participated in the Women in Rotary consultation in the first instance. If you are interested in volunteering please obtain the endorsement of your club president and email us at [secretary@mlr.org.au](mailto:secretary@mlr.org.au) by 19 April 2019. We hope that members will help us a/ consider some of the trickier questions b/ promote the project and c/ help find contacts and practical assistance.

We are also contacting club presidents now. The search for contributors to the book will commence once the reference group has met.

Should you wish to discuss this further please contact me on 0403253510 or Margaret Farr on 0407714505.

**Jeanette Rich**

**President**
