

Our members are people of action – especially in a time of crisis. And with clubs in nearly every country in the world, Rotary is uniquely prepared to help communities when they need us most. This is made possible because of generous donors like you that support local and global projects, but we could still use your help.

Did you know that we have a recurring giving program called [Rotary Direct](#)? You can select the frequency and cause you'd like to support, and manage your selections at any time. It's a simple and secure way to make a big impact.

With Rotary Direct, you can help fund efforts like Rotary disaster response grants that support COVID-19 relief efforts by selecting our Disaster Response Fund. These grants are currently supplying hospitals in Belgium, Croatia, and Italy with lifesaving ventilators, and they're equipping frontline health care workers in Korea, Nigeria, the Philippines, Spain, and the United States with desperately needed personal protective equipment so they can care for patients safely.

Thank you for all you do to support The Rotary Foundation and our work to improve lives around the world.

Easy. Fast. Secure.
Rotary Direct.
