

Applications for the **YMCA South Australian Junior Parliament** program for 2019 have officially opened and we would like to extend an invitation to the young people of your area.

The YMCA South Australian Junior Parliament is a non-partisan program that gives **young people aged 12-15** an opportunity to learn about democracy, parliament, team building, public speaking and leadership skills in a fun and supportive environment. The program is based on the successful and nationally recognised Youth Parliament program.

We would like your assistance in sharing this opportunity with your community and promoting the program.

As shown in the attached flyers, the camp runs for 3 days and 2 nights from the 2nd - 4th of October 2019. Participants stay at Rostrevor College and travel to Parliament House Adelaide during the camp. The camp has a cost of \$240 per participant however participants are supported to seek sponsorship.

For further information about the program, I have attached our Program Overview, and a link below to our website:

It would be greatly appreciated if you could share this opportunity with the young people in your area.
