

Rotarians cook up a storm for scouts' Jamboree

GAWLER Rotarians were among the volunteers from across the state supporting the 8500 scouts attending the 25th Australian Scout Jamboree held in Tailem Bend this past fortnight.

Seven hundred South Australian scouts were joined by scouts from all over Australia, and some from overseas, who were accommodated in a massive tent city at Tailem Bend Motorsports Park.

Rotary Club of Gawler past president Marie-louise Lees said the local community group

helped out by making doughnuts for the scouts and their leaders.

"The dust was a big challenge," she said.

"We got around this by meticulously covering everything.

"We went through 5 x 25 kilograms of doughnut mix, producing thousands of doughnuts."

Along with Mrs Lees, the other Rotarians who volunteered were president Jacqui Atyeo, Trish Williams, Alan Harris, Tony Fotheringham, Marion Noack, Stan Roulston and Rotary exchange student Ava Koenzer.
