## Meeting No: 423

September 16th 2019

Visitors : 3

Beryl welcomed members & visitors to our social afternoon. The meeting was kept brief so the games of beetle could begin. The afternoon progressed with much laughter & conversation as we struggled to throw the all important numbers to complete our artistically presented portrayals of a beetle. Half way through we stopped for a sumptuous afternoon tea.

The end result seemed in keeping with the modern educational idea that the participation was more important than winning. I am sure, just like the kids , the overall winner knows who they are.

At the October meeting please be prepared to indicate if you would like to go to the Lavender Farm later in the month. We would also like to get numbers for the Christmas Dinner.
