Hello all

Celebrating the 30th anniversary of the involvement of women as members of Rotary is the basis of a Mawson Lakes Rotary project which many of you will already know about.

We appreciate the positive support and suggestions of Rotarians from districts 9500 and 9520 and we are progressing slowly with our plans. The success of the project is dependent on collaboration across clubs and districts. So far we have around 30 names of women who have either volunteered or been suggested as candidates to interview.

In talking with members, the importance of our broader history beyond Rotary membership has been emphasised. We are therefore starting with an historical perspective.

DO YOU HAVE OR KNOW SOMEONE WITH KNOWLEDGE OF AND INTEREST IN THE HISTORICAL ASPECTS OF ROTARY?

- We are looking for members who would like to be part of a group which helps document the highlights of women's past involvement in Rotary Districts 9500 and 9520
- We hope to share this information with you at the end of this year

ARE YOU A GOOD STORY TELLER OR DO YOU KNOW SOMEONE WHO HAS A LONG TERM INVOLVEMENT IN ROTARY?

- We wish to talk with these women individually or in groups and record their Rotary experiences
- We hope to produce oral histories which we can share with you at the end of this year

If you would like to help please contact Margaret Farr 0407714505 or email secretary@mlr.org.au

We are happy to discuss the project further with club members and someone may be able to attend one of your meetings
