

The
Rotary
Foundation

Hi Club Presidents, Secretaries, Treasurers and Foundation Chairs,

I have received information from RI Parramatta this morning in regard to donations from Clubs and individual Rotarians to the Foundation and PHF recognitions before the end of March.

The reason for this request is that the USD conversion rate will be dramatically worse for April, please make commitments from your club to the Foundation not to End Polio, as well send your requests for PHF recognitions to RI Parramatta now. The drop in the conversion rates will have a major impact on DDF returned to the District in three years.

Australian volunteers and Rotarians have been under great pressure to support the relief work being done after the bush fires late last year and early this year as well as many other natural disasters and now the COVID-19 that has spread through the world.

At this time please allocate a percentage of you fundraising to the Foundation to enable Rotarians continue to do good in the world locally and internationally.

Kind Regards

Doug Layng
