

## **CLEAN UP AUSTRALIA DAY IS SUNDAY 1 MARCH**

And this year marks our 30th birthday (can you believe it?) so we're keen to get as many people involved as possible. We encourage you to choose your own adventure!

Get involved by hosting a Clean Up of your own - or joining one in your neighbourhood. Why not consider making a day-trip and heading out of town, to help a community that needs an extra pair of hands? Or just stepping up and making a donation, so we can keep doing the good work we do, all year round...

Registration is free and includes a free Clean Up Kit containing bags and gloves for you to use at your event.

**Time is running out to participate in Australia's largest community mobilisation event. If you do not register ASAP, you may not receive your Clean Up kit in time for your event.**

Register today to make a real and positive difference to our environment.

If you require any further information please don't hesitate to get in touch.

Thank you
