WORLD COMMUNITY  
SERVICE

### **Donations in Kind Working Bee - 19 October 2019, 9:30am to Midday**

Rotarians and friends from all clubs in Districts 9500 and 9520 are invited to the Rotary Australia Worldwide Community Service (RAWCS) Central Region / Donations in Kind (DIK) Working Bee, starting at

9:30am, at the DIK facility at Edinburgh on Saturday 19 October 2019, culminating in a barbecue at midday.

Your assistance on the day will greatly help the running of DIK, one of RAWCS' most dynamic but unsung programs, and will substantially complement the steadfast efforts of the DIK committee, regular volunteers and clubs that have had working bees at DIK in the past.

This is a special opportunity for Rotarians and friends to enjoy good fellowship and have fun while working for a common cause. A program of priority tasks has been scheduled, enabling you and your club to get hands-on international service locally.

**NOTE: Turn left at the 1st roundabout on Taranaki Rd and follow the signs.**

**To assist with catering please book at <https://dik.eventbrite.co.uk>**
