Dear Sir/Madam,

Re: Australian Rotary Health Indigenous Health Scholarship Program

Thank you for continued support/interest in the Australian Rotary Health Indigenous Health Scholarship in 2018. The program has grown and will continue to grow when like-minded clubs such as yours continue supporting students throughout Australia. We have had over 190 students already graduated and who are now making a difference to their communities.

We will be making selection for 2019 sponsored students in late **February/early March 2019** and to calculate how many extra scholarships can be given. I will require confirmation of your Rotary Clubs participation in the program for 2019. **Please advise me by Friday 15th February, 2019 of your intentions.** I have attached invoices for your clubs' sponsorship. *(Please retain one for your records)*

Please make your cheque payable to:

This year we sponsored 90 students Australia wide with the support of State and Commonwealth Governments. This year we will have approximately 18 students around Australia graduating from university and they will be making a difference to Australian Indigenous Health.

Thank you once again for supporting the Australian Rotary Health Indigenous Health Scholarship Program, and please do not hesitate in phoning me on 02 8837 1900 or email cheryl@arh.org.au for further information on this program.

Yours sincerely,
