

Dear Rotary Club of Gawler

Adelaide is set to host the Australian Rotaract Conference on the 9th and 10th of February at Adelaide Oval. Adelaide Rotaractors are excited to be able to showcase everything that our wonderful city has to offer and more importantly, the work that Rotary does within the Districts.

We want to be able to put on a good show and to make Adelaide proud. As such we are seeking assistance several ways to help make this opportunity a success. I have attached a sponsor pack outlining but not limited to how people and clubs can assist. These include monetary donations and donations in kind (as specified in the sponsor pack) but also sponsoring a young person to attend the conference who may be interested in becoming part of Rotary. We would also love to see Rotarians themselves attending the conference as this is a unique opportunity to see what Rotaractors do and how Rotaract operates.

The guest speakers attending the conference include retired STAR Group officer Derrick McManus, Paralympian and Director of Silver 2 Gold High Performance Solutions Katrina Webb and CEO of Kik Enterprise Louise Nobes.

We are more than happy to come out to your club's meeting and speak about the conference to provide a greater insight into the benefits of being part of it.

If you have any further questions please feel free to contact me.

I hope to hear from you soon.

Kind regards
