Beryl welcomed all members. After the singing of the National Anthem a minute silence was held in memory of Elva Krause. The minutes of the November meeting were read.

The Capitation fee payable to Probus Pacific has risen by \$1, but our membership fees will remain at \$35 for now.

Any members who wish, are welcome to attend the committee meeting next month at 12:30, to gain an insight into what is required of committee members.

Kay Bailey spoke, encouraging members to consider joining the committee, as we need fresh faces and ideas. It is a good way to get to know members. Also if you have any ideas for social outings, or criticisms of anything, please voice your opinions to Kay or other committee members. After afternoon tea Shirley Secomb & Wendy Castellan presented their profiles.

Shirley Secomb(nee Kester)

Shirley was born at the Salisbury Hospital, the second child of five.

Jane & George Kester bought land in 1877 at \$3 an acre at what is now Para Hills. Her family home was on the corner of Kesters and Bridge Road. She and her siblings road bikes to Salisbury Primary school. Later she caught the train to Nailsworth Girl's Tech.

She was able to get a job in the costing section at Parafield.

In 1959 the farm was sold and they shifted over the border to Victoria near Naracoorte. After marrying Trevor she first lived at Salisbury. PTO
