

RI SOUTH PACIFIC & PHILIPPINES OFFICE

To: Club Presidents
Club Secretaries
Club Treasurers

CC: District Governors

Dear Club Officers,

It is a new Rotary year and I would like to welcome you to your role.

I am the Manager of RI South Pacific & Philippines Office – Rotary's Regional Office for Australia, New Zealand, Pacific Islands and Philippines. What I would like to do is provide you with easy access to a set of resources that will simplify your dealings with Rotary International.

These resources include 'how-to' guides, links to RI resources, along with guidelines on who to work with at Rotary when dealing with various issues. We have attempted to organise these resources in a way that you will find quick and intuitive. To get started, click this link to the [Resource Guide for Club Officers](#). Please save this PDF on your computer so that you always have ready access to it.

While our objective is to save you time in performing your role, the information will also be useful to others in your club. The information is not confidential so feel free to include the above link in your club bulletin and, if you have a club website, we would encourage you to place the link there as well. It would also be beneficial for districts to include these resources in their bulletins and website.

Our role here in the Regional Office is to support Rotarians to do good in the world. If you find that there are additional Rotary resources to which you need easy access, please let us know.

Kind regards,

Grace

Grace Ramirez
Manager, International Office and Financial Services
