Dear Community Stakeholder

Re: Community Plan 2030+ Phase 1 Consultation Open

I am pleased to advise that the Town of Gawler is now ready to review its Community Plan. Our highest strategic document, Council is committed to ensuring the Community Plan remains consistent with community aspirations as we look to the year 2030 and beyond.

As part of this review process, Council will be undertaking a two phase consultation process. The preliminary phase seeks to gauge matters of importance with our local community as well as collating feedback about the existing Community Plan (2017-2027).

This preliminary consultation period will commence **Wednesday 29 April 2020 and conclude Friday 22 May 2020.**

The Gawler Community Plan is a key document for Council, as it identifies our community's aspirations for the future and is used to guide Council's decision-making in order to deliver the type of town and community in which we all want to live, work and play.

A survey has been developed and is available on Council's website www.gawler.sa.gov.au via Your Voice Gawler. Informative material demonstrating how the existing Community Plan has influenced Council's decision-making and infrastructure provisioning over the past two years is also available.

On behalf of Council, I encourage you to get involved and complete the survey. If you have any questions regarding this process please contact Council's Strategic Planner – David Petruzzella on (08) 8522 9296 or via e-mail on david.petruzzella@gawler.sa.gov.au

Kind regards

A handwritten signature in black ink, appearing to read 'K Redman', with a long horizontal flourish extending to the right.

Karen Redman
Mayor
