Mental Wealth for Entrepreneurs & Start Ups

Tuesday 29 October

6-8 pm

221-3 Flinders St

Adelaide

Hear from your entrepreneurial peers on challenges and experiences in a down to earth discussion with a focus on mental wealth and health

About this Event

Did you know that almost 1 in 2 Australia adults will experience mental illness in their lifetime?

Every \$1 invested in strengthening mental health and wellbeing in the workplace has an average return of \$2.30, and when you run your own business, are an entrepreneur or startup, you know how important it is to take care of yourself and your team.

Investing in strengthening our mental wellbeing makes good sense and at this event co-hosted by SA Mental Health Commissioner Chris Burns CSC, you'll hear from your peers on challenges and experiences in a down to earth discussion.

#GiveFirst and taking care of each other in the entrepreneurial ecosystem is not only something we say but do, so please join in this event with a focus on

mental wealth, reducing the stigma and practical ways to manage your wellbeing.

The Port Adelaide Rotary Club is raising \$100,000 to assist with the rehabilitation of people in the community with mental health issues and to support organisations and individuals from considering suicide and we will be auctioning off some fantastic prizes on the night.

You'll experience a relaxed environment with drinks (Thug Life Brewing beer, wine, soft drinks) and nibbles from Wanna Graze.

Video footage, photos and social media posts will be shared on the night and Entrepreneurship Facilitators are funded by the Australian Government with the initiative managed by the Department of Employment, Skills, Family and Small Business.
