

CLUB AND DISTRICT SUPPORT

Dear Club Presidents,

We hope your year as Club President is off to a good start! As you know, we are Club and District Support (CDS), your regional advisors on Rotary resources, tools, and governing documents. Throughout your year as President, we'll be sending you quarterly messages with resources, tips, and tricks.

First Quarter Highlights:

- Visit the [Brand Center](#). As you organize events and projects throughout the year, take advantage of the variety of resources available to help you promote your club and Rotary, including a club logo template, messaging and visual guidelines, customizable materials, and more!
- What can you do to ensure that your club meetings and events are safe and harassment free for all who attend? Take the newly added [Preventing and Addressing Harassment Training Course](#) on the Learning Center. The course will be available in all Rotary languages in early September.
- The April 2019 Council on Legislation changed several policies that impact clubs. Click [here](#) to open an overview of the key decisions is attached for your convenience.
