

MEMBERSHIP DEVELOPMENT

To: District governors, district governors-elect, assistant governors, Rotary coordinators, assistant Rotary coordinators, district membership chairs, club presidents, club presidents-elect, and club membership chairs

Dear club and district leaders,

Rotarians and Rotaractors everywhere are proving that being physically isolated doesn't mean being disconnected. People are embracing new ways to connect using technology — smartphones, webcams, and the internet.

Find out more during the webinar **Connect With the (Online) Rotary World** on Tuesday, 28 April, 15:00-15:45 Chicago time (UTC-5). It will be a question-and-answer session with Rotarians who are leading their clubs and districts in the move to virtual connection. We'll be talking with people who are:

- Holding club meetings online
- Using social media to engage with one another and their communities
- Maintaining the fun traditions they love and developing some new favorite activities
- Finding ways to help each other as well as local and global service opportunities that allow them to keep being people of action

[Register now](#) and submit your questions for our panelists. Tell us what specific issue you would like the panelists to address. We also want to hear what communication strategies are working for your clubs so that we can highlight success stories.

We'll provide a recording of the session to anyone who registers.

In the meantime, you can explore the [Meeting Online](#) learning topic to find or share resources to improve communication.

We look forward to hearing your thoughts and questions.

Sincerely,
The Membership Development Team
Rotary International
