Dear Supporter,

In Australia there are approximately 731,000 children living in poverty. Openlight is committed to providing an opportunity for local children in your community that are in need, to have a valuable and positive life experience at one of our Victor Harbor camps. With the support of organisations like yours we have been able to provide a safe and entertaining camp experience for over 80 years to South Australia's most disadvantaged children. This is not possible without donations from local community groups. We hope that you are in a position where you can join us in sponsorship, so we can continue to offer this life changing experience to more South Australian children in need.

Openlight an initiative of Toc H SA have been running youth camps designed to help disadvantaged and vulnerable children from a wide range of high-risk situations since 1935. These camps help the children to develop a variety of skills including self-regulation, building self-esteem, fostering positive relationships and developing a positive attitude to self and community. We Support many children from Adelaide and regional South Australia and our broad focus means we can accept children who may otherwise not be eligible for this type of program.

As we continue to strive for contemporary relevance in a modern society we have recently undertaken the important task of re-branding our services to Openlight. Openlight symbolises the door is open and the light is on, creating an inclusive environment where everyone is welcome. The rays of light streaming through the door represent the original Toc H lamp. Since re-branding, we have seen an increase in referrals from agencies whose children need our help as well as a greater number of volunteers looking to support our program. So we are in a great position with your help to help more children than ever attend our Victor Harbor camps.

In order to continue to be a positive influence in the lives of these children we need your help. To ensure our camps are accessible and free of cost to the attendees we rely on your donations. Your donation will immediately help us create an opportunity for one of South Australia's most disadvantaged children to secure a spot in our Winter 2019 camp. We also welcome other offers of assistance. We are always on the lookout for various art and craft or sporting equipment. If you believe you could help in any way, please contact us.

It's because of people like you and groups like yours we can offer these positive experiences to the lives of South Australia's most disadvantaged children. We look forward to sharing the Winter camp experiences with you.

Information on how to donate is on the next page. For more information, contact Dana on dana@openlight.org.au

Sincerely,
Dana O'Brien
Engagement Manager
