Dear Administrator

RE: Donation by Ahrens Group Pty Ltd Employees

At Ahrens we believe that to have a strong community you must contribute to the community and help build it up.

We have a scheme in our company where our dedicated employees decide which charity they would like to support in their community and then we donate \$200 to the charity on their behalf. We believe this will further develop our employees by encouraging them to become people that want to give and not always take.

Below is a list of employees that have nominated your organisation as their preferred charity to receive a donation:

Michael Barilla

It would be greatly appreciated if your organisation could write a letter to each of the employees listed below as a 'thank you' for their contribution. Your gesture of a thank you letter will help further instil in them the joy of giving. The address to send the letters to is as follows:

Employee Name
C/- Ahrens
PO Box 2
SHEAOAK LOG SA 5371

Please note that all monies are given by Ahrens Group Pty Ltd and a receipt of the total funds should be sent to the company at the above address and not the individuals named.

We are confident you will use this donation to good effect and accordingly have very much pleasure in attaching a cheque for \$200

Your efforts in the community are greatly appreciated and we wish you all the best for the future.

Stefan Ahrens
Managing Director

Every individual is important.
