President Josie- club matters-

1. Fire disaster fundraiser money is going directly to victims in SA. Event was very successful, over \$1000 raised by us, total figures to come.
2. There is wine left over from the wine wall, available from David Lloyd for \$20 per bottle.
3. Graham Goode gave a brief run-down of dates for the art show. He has brought in several new sponsors this year. Monica has the sponsorship finances in hand. Letters will go out soon.
4. Doug Rogers reported that the film fundraiser, after a shaky start, raised \$1500 for the Bhutan project. The film (1918) was praised by many.
5. **Guest Speakers:** NYSF student **Thomas Lymburn** was the first cab off the rank, telling us about his unfortunately shortened trip to Canberra on Jan 1st. Most of the action planned was cancelled because of the bush fires. He did get to visit Questron, and sat in on a couple of presentations, so he still enjoyed meeting other like-minded young people from around the country, and his opinions on a scientific direction to choose has been opened up. He thanked RC Clare for the opportunity. **Hayley Donslar**, from Balaklava High went to Brisbane. Many visits were made to STEM centres. She found the experience interesting and exhausting and made many new friends who are interested in science. **Lowanna Heaslip** made similar comments. She had some experience in a pharmacy lab, mixing up some acne cream. She also observed some virtual reality surgery. The trip was much more social and fun than she expected. Also made many new friends and connections. Both girls were in Brisbane from 8th to 18th January.
